Kottayam, Kerala

I graduated in 2016 and worked as a Technical Author in Lionbridge for Rolls Royce engine manuals. I do not have experience certificate because I left the company in 2018 (after 1 year).

I was a UPSC civil services aspirant since then. After 3 failed attempts I am trying to get back to my field.

I am looking for an **internship** where I can start from level 0 in my career.
